2022

L'ARCHE ERIE, INC.

# A message from our Executive Director

**DR. ROCHELLE VON HOF**

This past year, L'Arche Erie turned 50 years old! Fifty can be defined as five decades, 600 months, 2609 weeks, 18262 days, 438,290 hours, or 26,297,438 minutes. In all that time, L'Arche Erie has grown as a community and, most importantly, shared life with so many friends.

Throughout 2022, L'Arche Erie has experienced many wonderful and fun times, as well as sad and tearful times. During the first half of the year, we welcomed a new Core Member to the Bethany home and a new Life Sharing Provider. In May, we resumed holding in-person fundraisers. This was exciting since the pandemic changed the way we interact and share time together. As we moved into summer, we had a visit from Stasya, our Regional Leader. During this visit, we had the opportunity to engage in a Community picnic. Throughout the summer, we continued to be together in activities such as tie dying t-shirts, picnics, watching movies, and celebrating birthdays, holidays, and milestones. At the end of summer, we welcomed another new Life Sharing Provider. As we transitioned into fall and winter, times became difficult for us. We lost four of our friends and longtime Core Members. We continue to deeply miss Matthew Johnson, Richard Schwindt, Sarah Selleny, and Bob Middleton. Our grief has been long and hard, and we continue to try to understand and process through it.

Moving into 2023, we have many hopes for the future. We hope to welcome new Core Members and team members, engage in more celebrations and gatherings, and continue to grow as not only a Community but as a movement. Here's to another 50 years!
